Annual Performance Production Sale

Dear Cattlemen and Cattlewomen,

We would like to welcome all of you to the 2020 "Pursuing a New Horizon" Annual Production Sale, here at Bakers LEMAR Angus Ranch. We have sold at St. Onge Livestock for several years and decided it was time to move the sale back to the ranch.

We would like to thank all of our past and new customers for their business and their confidence in our breeding program. All of us at Bakers LEMAR Angus look forward to working with you to achieve your goals now and into the future.

The bulls have been gaining 3-4 lbs. per day and the commercial heifers are gaining right at 2 – 2.5 lbs. per day. The cattle have had NO creep feed, just mother's milk and native pastures, along with mineral and salt. We are using the actual weaning and yearling weights in the catalog this year. The bulls and heifers have had 2 series of foot rot shots and the heifers have had pre-breeding shots and are ready for turn out.

If you can't be at the sale, any of the ring men, Sale Consultant, Vern Frey, or Rod Geppert from AAA would be happy to assist you. The sale and bidding can be viewed on The Livestock Link. Call ahead of the sale to get your bidder number and for additional information to process billing, etc. The Livestock Link information can be found in this catalog, or call one of us for their contact information.

The sale cattle are here at the ranch and you are welcome to view the cattle before the sale. The coffee pot is on and maybe a cookie or two.

Plan on being on the bleachers for Bakers LEMAR Angus Sale, Monday, April 13, 2020 at the ranch. Dad always said, "The best thing about an Angus cow is that she brings good people together!" He's here with us in spirit and would greet you with a huge smile, warm hug and handshake. We look forward to welcoming you as well, in Leo like style.

We so look forward to seeing you at our BACK AT THE RANCH PRODUCTION SALE at our ranch sale barn.

Thank you for your interest,

Mike and Sandra Baker and Family

Herdsmen: Heath and LuKasey Hill, Alexis and Ashton

Catalog and Videos available
on our website.

Bakers have been producing quality Angus cattle since 1951 concentrating on the traits that commercial cattlemen demand in their bulls. Balanced EPDs, positive performance, easy fleshing ability, carcass and disposition. Whether you are running straight Angus or are cross-breeding, these bulls will give you more pounds per calf at weaning. The females are well uddered and fertility and longevity is important in our program.

We are celebrating over 69 years in the Angus Business!

**All bulls guaranteed.

★ NOT RESPONSIBLE FOR ACCIDENTS ★

1st Breeding Season Guarantee:

We encourage you to insure your bulls to avoid loss!

First breeding season is defined as the 90-day period following the first turnout of the bulls. If a bull is injured or becomes a non-breeder in this 90-day period, you must let us know right away. Bulls must be checked by your veterinarian and a written report on the injury submitted to us. We will provide a suitable replacement if one is available; if not, we will give you credit on next year's sale, minus the salvage amount. Also, you must send us a copy of the sale barn receipt to show us how much to credit. The warranty is void if not reported in the first 90 days after turn-out. No credit will be allowed after the first breeding season. The guarantee does not apply to the death of the bull, nor does it cover mismanagement, poor nutritional care and/or neglect. We do not cover injuries sustained prior to the breeding season. Guarantee is void if bulls are turned in with other bulls, prior to turnout. Injury may occur, therefore the warranty will be void.

OWNERSHIP

Cattle are the property of the buyer as soon as sold, with the buyer taking complete risk. Please take purchases home with you after the sale. \$50/per bull off if you haul sale day.

INSURANCE:

Martin-Trudeau Insurance will be on hand sale day if you would like to insure your bulls.

VOLUME DISCOUNTS:

Volume discounts will be offered starting with 3 bulls-3% and increase 1% for each additional bull, up to 10 bulls- 10% maximum discount. If you purchase over 10 bulls the discount is 10%.

There are NO Discounts for the Commercial Heifers.

If we are keeping your bulls, we will feed them up to 30 days from the sale date (April 13) free of charge. Any bull(s) left over 30 days will be fed at cost to the buyer.

Additional Information:

Pelvic and Scrotal information will be available by April 1, 2020, by email (lemarangus@gmail.com) or by phone. Current Weights will be available by Sale Day.

Reg. No. 18241686

A A R Bankroll 5016 is pictured here as a yearling. He was purchased for \$50,000 in the Arntzen Angus sale in 2016. Bankroll has done an excellent job in our herd, offering calving ease, as well as performance. We have kept many of his daughters to use in our program. The females offer great teat placement and are excellent brood cows. His sons and daughters have good eye appeal and growth, with balanced EPDs. Be sure to look at his sons on April 13, if you are looking for bulls with calving ease.

Mill Bar Bemindful Maid 6304
Mill Bar Lady DI 3400

We used Hickok the first year he was on the ranch and used him on heifers and got along GREAT for calving ease without any trouble. Several of his sons have topped production sales all over the country. Look for his sons on sale day.

- Proven high customer satisfaction bull that ranked #1 for ABS Sales in 2018 and 2019
- Well rounded, maternally oriented bull with super phenotype and calving ease.
- Progeny offer a consistent, well balanced type and kind with extra depth of rib and muscle.
- Ideal maternal combination coupling a top \$ Maternal Index with moderate mature size along with outstanding heifer pregnancy and docility EPDS.
- Exceptional maternal genetics with high quality Sexcel semen available.
