OPEN HOUSE & ONLINE BULL SALE 3-21-2020

Open House starting at 1 PM
Bidding will end at 3 PM
At the Ranch

Welcome!

Welcome to our Open House and Online Sale!

Thank you for checking out our production sale. We are extremely proud and excited about this group of bulls.

With our many decades of dedication to raising high quality Hereford cattle, we have always been very diligent to improve and maintain traits like performance, structure and carcass quality and have worked extremely hard to develop consistent, high udder quality.

The cattle can be viewed any time that is convenient for you. Check out the videos on TheLivestockLink.com. Also sign up there to bid online. Bidding will begin on March 16th and ends on March 21st at 3 pm. It is a horse race style so any bid inside 5 minutes extends the bidding for another 5 minutes, giving you a comfortable amount of time to make your decisions and to bid again. I think you will like this format. If you have any questions about the cattle or the bidding process don't hesitate to give us a call.

Once again Thank You!

The Biebers

K&B BELLA 219Z 1ET

DOB 3/29/2012 • REG. # 43326843

Bella is truly one of the elite cows of the breed phenotypically. She is flawless in her structure, beautiful uddered, feminine, good footed and has plenty of mass and muscle. Her first two natural calves are herd bulls: K&B Red Brand 417B and K&B Acclaim 622D. To date we have calves by her with eight different sires and she hasn't missed with any one of them. We own Bella with Hoffman Herefords, Thedford, NE, and her story is far from being written as her influence will be strong in both of our herds. Seven bulls by her sell here.

We feel that Chancellor is a real herd bull prospect that puts it all together. He has a great dam, Bella 219Z, and a proven sire of calving ease and consistency along with power, Perfecto 11B. 832 had an actual birth weight of 72 lbs. and has a super set of EPDs across the board, including a 1.70 Teat score. We feel that Chancellor will be a calving ease bull and we will have a few calves by heifers this spring. Phenotypically he is a fault free bull with a long, square hip and smooth shoulders. He really gets out and moves like an athlete and boasts very adequate muscle shape. 832 was the Reserve Champion Bull at the 2019 South Dakota State Fair.

Selling 1/2 interest, full possession and 100 straws of semen.

This Bella 219Z x Cuda herd bull prospect was one of our favorites all summer long. 908 is a moderate framed bull loaded with muscle. He is a waste free bull that is long spined and square hipped with excellent leg structure. Real cool calf with a herd bull look and a great cow to back him up.

910 has a tick more frame than his flushmate, 908, and really is deep ribbed and long bodied with excellent muscle shape. All these Bella 219Z sons have great leg structure and can get out and move. 910 is another really good one by her and deserves some attention.

Wow! What a tank! You would be hard pressed to go out and find a bull with the depth of body, overall mass and muscle shape 916 has. He has a lot of length of body and excellent bone. And the real kicker with him is that he is out of a perfect uddered Red Bull daughter that has done an awesome job in our herd. Add to that his 80 lb. actual birth weight and 816 lb. adjusted weaning weight. Real power herd bull prospect here.

Paragon may be the coolest calf we have raised. He is a member of a super flush that produced our Reserve Spring Calf Champion pen of heifers in Denver and, Tycoon, the popular calf we own with Hoffman Herefords. What a mating! It combines Bella 219Z with FHF 408 Rita 21W (628's dam), two of the top cows in the breed.

We feel that 940 is truly a special calf. Phenotypically he really puts it all together. He is extra deep ribbed with a thick top and long spine. He's square hiped, really wide at the pins and carries it down into his massive hind quarter. Then you get to his front end and he's smooth shouldered, clean throated and has a small head. Excellent pigment and solid markings are another plus. He's bred to be a big time herd bull and we think his potential is sky high! Retaining full 1/2 interest.

Real solid, deep bodied, thick made Munson bull. His deep bodied Encore momma came in with a nice one here. Low birth weight and solid carcass EPDs back him.

Young herd bull prospect that's really coming on. Flawless phenotype, big topped and cool fronted. His dam is a Bella 219Z daughter by Churchill Red Bull, definitely a herd bull type dam stacked with great uddered females in his pedigree. This bull has fantastic EPDs and truly brings a lot to the table!
