Annual Bull Sale

Friday, February 16, 2018

Worland, Wyoming

90 Coming 2-Year-Old Elite Range Ready Hereford Bulls

300 F1 Baldy Heifers Calves

Select Performance Ranch Horses

Fellow Cattlemen,

Once again we would like to welcome you to the Durbin Creek program and thank you for taking the time to assess the bulls, heifers and horses. We truly love the way we make a living and are proud of the product we put before you. We would like to thank you for the faith you have put in our program. We fully understand the responsibility that comes with that, and always strive to produce a product that will be profitable for you at the end of the day. No matter what sector of the industry you market in.

I also want to thank you for the many prayers that were sent out for our family over the last year. As many of you know, on July 20th our lives dramatically change when an impaired driver crossed the yellow line and hit Cooper and myself head on. Cooper spent a week in Children's Primary Hospital in Salt Lake City. After a surgery to fuse C1 and C2, he has spent the rest of the fall healing. He has recently been cleared for full activity and as I write this letter, he is preparing to go spend some time with Joey's folks in Oregon. We may not always understand God's plan, but we know God is ALWAYS good.

To tell a little about our registered program, it is quite simple; every cow pays her way, every year in a problem free way...Period. There are no excuses, no frills, no gimmicks and absolutely no second chances. The cows summer at 8,000 feet in a commercial setting and winter at 5,500 feet on forage. This allows us to focus on the ever important economic traits. We can not afford diminished calf crops, low conception rates or poor production and carcass traits. Like you, the cattle business is our livelihood, the cattle must perform.

I believe that this is a powerful set of bulls with a lot to offer the industry. From top to bottom they are all very useful and will produce calves with performance from day one until they hit the rail. It is definitely a set of bulls that we are very pleased with and know you will like. They feature some new sire groups to Durbin Creek that are the result of our never ending search to bring in new and profitable genetics.

The F1 baldy heifer calves are sired by DCR bulls, straight off the top end of our commercial or customers programs. They are the keeping kind and will work well wherever they go. They are high elevation calves that have been developed right to go on and make productive, long term mother cows. They are not overly fat but in perfect condition to take home and breed.

We live our lives horse back and try to raise the kind that make it enjoyable. The horses in the sale are a good representation of the kind we have been striving to raise for almost 20 years. They are fun to sit in the middle of whether you are putting in a long day or going to town.

In closing we would like to take to thank the Durbin Creek crew for their dedication. As I complete my first year in the state legislature I find myself relying on our amazing crew more and more. With out them our lifestyle is not possible.

God Bless,

Wyatt Agar and the Agar Family

Durbin Creek Ranch Annual Bull Sale

Friday, February 16, 2018

Worland Livestock Auction 1:00 pm mst

1310 Lane 12, Worland WY ★ (307) 347-9201

Sale Location: The sale will be held at the Worland Livestock Auction located at 1310 Lane 12.

Terms and Conditions: Terms of the sale are cash or check. Every animal becomes the property of the buyer directly after the animal has been sold.

Heifer Development: Arrangements can be made to return heifers to Nick Geis's Feedlot to be developed and AI'd to the bull of your choice, including any of the DCR calving ease bulls. Costs can be negotiated between the buyer, Nick Geis, and DCR after the sale.

Bull Development: Bulls are run in a commercial environment beside their mothers on native forage until weaning. After weaning they are developed on hay and light grain ration through the winter, and then returned to forage as yearlings.

Bull Feeding: Arrangements can be made for bulls to be returned to Nick Geis's Feedlot and put on feed for \$2.00/hd. per day. Bulls will be kept in the contemporary group they were in here at DCR. The bulls risk will be incurred by the buyer, insurance options will be available sale day.

Bull Guarantee: All bulls have passed a semen test and a breeding soundness evaluation prior to the sale. To ensure your investment, DCR will guarantee all bulls selling against breeding injury and to be sound breeders for the first breeding season. Breeding season is defined as a 90 day period following the first turn out of the bull. If a problem should arise, contact us prior to the salvage of the bull, options will be discussed and a credit of the bull's purchase value minus salvage value will be given in an upcoming sale. Please notify us as soon as the problem or injury occurs. No claims will be accepted after September 1st.

Delivery: Free delivery to central locations in the Wyoming area. For buyers from Oregon, Idaho, Washington and Nevada, bulls will be hauled to Huntington, Oregon where buyers can pick them up or make other arrangements.

Liability: All persons who attend the sale do so at their own risk, and the owners and sale barn assume no liability.

We would love it if you would join us

Thursday, February 15 for our
Pre-Sale Dinner at The Eagles
just down the street from the sale barn

6:00 pm

**Bulls will be available
for viewing all day
Thursday and Friday**

For questions about the bulls, please contact
Wyatt Agar (307) 867-2404 or email at
durbincreekranch@yahoo.com

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 998. Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

Buyers will be contacted by the ranch after the sale for payment and delivery details.
IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.

Hotel Information

Ask for the "Durbin Creek Bull Sale" rate at

Days Inn
500 N 10th St.
Worland, Wy

The bull for all facets of the industry!

He has compiled impressive real world data in our commercial program. Calves come easy, mature early and have a unique ability to convert feed. Sons are stout and economic, and the daughters have a special look! He has proven to be a very consistent sire.

NJW BW Ladysport Dew 78P

“FOR MANY YEARS NOW WE HAVE FED DURBIN CREEK RANCH’S HOME RAISED CATTLE. WHETHER AS CALVES OR YEARLINGS THE CATTLE GAIN AND PERFORM. SUNSHINE AND MILD WEATHER TO COLD AND SNOWY WINTERS, THE CATTLE ALWAYS CONVERT THEIR FEED IN THE TOP PERCENTILE, COMPARED TO ALL THE CATTLE AT ALL OF OUR OPERATIONS.”

Thickest, heaviest based bull ever produced at DCR! With Keri and 78P in the same pedigree you are sure to get cow power. Should sire tons of shape and dimension yet leave you with productive cows. Used heavy in our ET program this fall. Started with a 99% birth ratio, exploded to a 112% weaning and 115% yearling ratio.

DCR 713 Ella C 1035

With the power and shape of 1035 coupled with the eye appeal of Cowboss , 6123 has been a stand out since birth. The Cowboss progeny in our commercial program have hit all the corners and showed a unique ability to convert feed. Starting with a 78 lbs. birthweight and posting 117 weaning and a 115 yearling ratio, 6123 should sire tons of performance and early growth. Used heavy in our ET program this fall.

Performance and Pounds.

We bought "Babe" from Bar RZ in Alberta after seeing him along side his powerful dam, right after he had won Hardisty. He sires lots of early performance and bulls that offer power and ruggedness. Sons are geared towards operations that sell calves off the cow and are looking for pay weight.

BAR-RZ 72S Waverly 73W

“ DUBBIN CREEK MANAGES THEIR PROGRAM IN A WAY THAT PUTS AN EMPHASIS ON EFFICIENT CATTLE THAT ARE BORN LIGHT, GROW FAST AND MATURE EARLY. THEY ARE CATTLE THAT CONVERT FEED AND HAVE IMPRESSIVE PERFORMANCE WITH CONTROLLED INPUTS. BUYERS AND FEEDERS HAVE RECOGNIZED THESE TRAITS, CREATING A LARGE DEMAND FOR CALVES SIRED BY DCR BULLS.”

Very Correct & Sound!

We used this son of 4029 as a clean up bull for several years. His calves come easy with lots of vigor and display plenty of growth and lots of structural correctness

“ WE RUN IN BIG, ROUGH COUNTRY AND THE PASTURE WE BREED IN IS 20,000 ACRES. DURBIN CREEK BULLS HAVE GOOD FEET AND LEGS, AND ARE VERY ACTIVE. THEY GET THE JOB DONE. AT THE END, YOU HAVE A VERY MARKETABLE PRODUCT.”

300 Head of High Altitude, F1 Baldy Heifer Calves Sired Exclusively by DCR Bulls 100 Home Raised, 200 Consigned by RG Ranch

RG Ranch going through the bull pens.
They run DCR bulls to sire the consigned
heifers.

Selling in groups of
5 with a run on the
pen if desired.

- ♦ A 7% advantage in conception rate
- ♦ \$51 more per cow per year
- ♦ Improve disposition & handling ability
- ♦ Increase value of females
- ♦ Data based on the Circle A Ranch Heterosis Project beginning in 2007, conducted by Circle A Angus Ranch.

For questions about the heifers, please contact Bruce at (307) 867-2402

2018 Horse Sale Information

The horses that we are offering at our 2018 sale include four started geldings and three started mares. They have all been used on the ranch to perform daily tasks. We believe that each one of them will make a great asset to any ranch. At sale time all the horses will have their feet trimmed as well as had their teeth floated and thoroughly checked. All the horses will have been dewormed recently. Also, the horses with the Ranching Heritage emblem on their lot page are eligible for AQHA's Ranching Heritage Program. This is an excellent set of sale horses and we look forward to sharing them with you!

Stallions

Our stallions are primarily Sun Frost, Driftwood and King bred. We choose these bloodlines because they have proven time and again to produce horses with a sound mind and tremendous athletic ability.

Mares

Our mares are the direct descendants of the Lockett horse program of Eastern, OR. The majority of them are out of a Windchester/Poco Bueno stallion and trace back to Gusdusted on their maternal sides. Gusdusted was a full brother to the great Leo.

Horses We Raise

We raise ranch horses first and foremost. By crossing these bloodlines we are able to produce a horse that is put together durable and structurally correct as well as being extremely athletic and of sound mind. They are phenomenal ranch horses that excel in the arena as well!

Guarantee:

If a buyer is not satisfied with their horse in the first 30 days after purchase the horse can be returned to the seller for 100% of the purchase price. Our horses are also guaranteed sound for the first 30 days after purchase. If a horse appears to be unsound in the first 30 days the horse can be returned to the seller for 100% of the purchase price, with a vet check (paid by seller) stating the unsoundness is the seller's responsibility.

Mare 1st Right or Refusal:

On the sale of mares, Durbin Creek Ranch wishes to obtain the first right to buy back the mare if the new owner ever wishes to sell them.

Trying Horses Before Sale:

If you would like to ride a horse before the sale please call and we will make an appointment with you to do so. Horses will not be available for riding once they have reached the sale location.

For more information on sale horses or to view a video of each lot please visit www.durbincreekranch.com

or visit our Facebook page at **Durbin Creek Ranch Registered Quarter Horses.**

The last two years Durbin Creek Ranch has been proud to take part in the AQHA Ranching Heritage Young Horse Development Program. Ranching Heritage breeders donate weanlings to AQHA youth members who have applied for the program and then the kids go on to train and show the horses. It has been a wonderful experience for us and we are thrilled with the job these two young ladies are doing!

“After our experience with this program the last 2 years, I don’t see how we could ever not do this.”

Jake Agar

Jordan Diehl of Boise, ID with DCR Moons Lady Luck. “Lil Sis” is by Tipper Three Leo and out of DCR Rose Concho by LZM Brown Conchos.

As the Young Horse Development Program comes to a close, I wanted to thank you all again for giving me one of the greatest blessings in my life!

Lil Sis has grown... a lot! She is 15 hands and made of pure muscle. She loves running up and down the hills on our property and it has definitely kept her in shape. Everywhere I have taken her, people comment on her structure or muscle, or her manners. She is so well behaved; I have performed presentations with her in front of 50 kids, taken her to rodeo grounds, let Special Education kids pet her and she is not even phased. Most of the time, she ends up falling asleep. She is turning out to be one of the most sweetest and trustworthy horses I know. Of course, when I take her out I always tell people where she came from and how awesome the horses are from Durbin Creek Ranch!

Your little filly turned out to be so wonderful in this program and I wouldn't have wanted any other horse. Thank you all for giving me the “cream of the crop”. I can't wait to see her work cows in the next couple of years!

With Love and Blessings

Jordan Diehl

2016 Recipient

I received Bonnie a.k.a. DCR Cash N Drift from Jake and Hannah Agar on November 25, 2017. She has been very fun handling and training because she is very smart. Bonnie trusts me, she comes up to me already and will follow me around her pen and leads well. Some of the things we have worked on together is basic round pen work, on lead and off, yielding, trailer loading and unloading and being ponied around our ranch by me and my mare, Ruby.

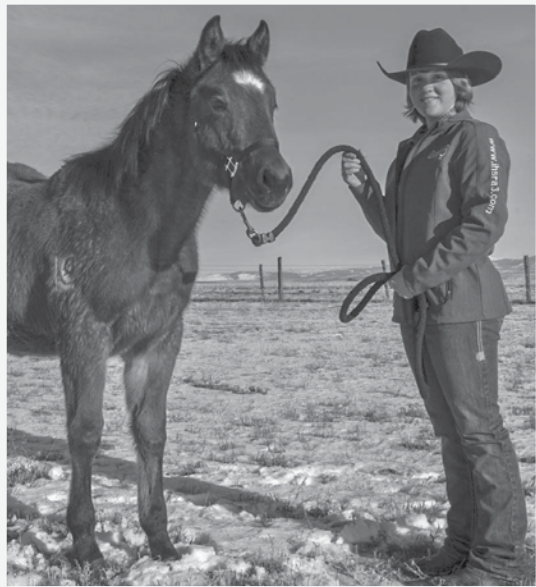

I am so grateful to Durbin Creek Ranch and AQHA for this opportunity.

Molly Johnson

Cottonwood, Idaho

2017 Recipient

Molly Johnson of Cottonwood, ID with DCR Cash N Drift. “Bonnie” is by PC Wades Frost and out of Dollitas Cash by Roan For Cash.
