Annual Bull Sale

Thursday, February 28, 2019
Worland, Wyoming

100 Coming 2-Year-Old Elite, Range Ready Hereford Bulls
300 F1 Baldy Heifer Calves
Select Ranch Horses

Neighbors and friends,

Once again we would like to welcome you to the Durbin Creek Program and thank you for the support and belief you have invested over the last year. We feel truly blessed to make a living off the land and are proud of the product we offer you. For many of our customers, 2018 started with a tough winter that put your cowherd to the test, then moved right into a dry, hot summer. We strive to always produce cattle that will flourish and keep you profitable in the adverse condition that the Intermountain Region throws at us.

The cows within the seedstock program are expected to pay their way every year, in a problem free way. No excuses. They summer at over 6500 ft and winter at over 5000 ft always foraging out. This allows us to focus on the important economic traits. We can not afford diminished calf crops, low conception rates or poor production or performance traits. Like you, the cattle business is our livelihood, the cattle must perform!

I believe this is an extremely powerful set of bulls, from lot 1 to 99 they have a lot to offer the industry. The calves they sire should excel from birth until the day they hit the rail. To test and ensure this, we not only use them ourselves, but also buy many calves sired by DCR bulls through the year. When you get ready to market yours let us know! The new sire groups that we added over the last few years are not only performing well in our program, but in customer's herds as well.

The F1 baldy heifers are sired by DCR bulls, straight off the top end of ours or our customers programs. They are the keeping kind, from high altitudes and developed to work wherever they go. They are not fat, nor have they been pushed, but rather are in perfect condition to take home and breed.

In closing we would like to thank the entire DCR crew for their dedication. Without them our lifestyle and this production sale are not possible!

In Christ's Love,
The Agar Family

NEW DATE

Durbin Creek Ranch Annual Bull Sale

NEW DATE

Thursday, February 28, 2019

Worland Livestock Auction

1:00 pm mst

1310 Lane 12, Worland WY (307) 347-9201

**We would love it if you
would join us**

**Wednesday, February 27
for our Pre-Sale Dinner at
the Eagles just down the
street from the sale barn
6:00 pm**

**Bulls will be
available for viewing
all day Wednesday
and Thursday**

**For questions about the bulls,
please contact Wyatt Agar
(307) 867-2404 or email at
durbincreekranch@yahoo.com**

SALE LOCATION: The sale will be held at the Worland Livestock Auction, located at 1310 Lane 12

TERMS & CONDITIONS: Terms of the sale are cash or check. Every animal becomes the property of the buyer directly after the animal has been sold.

BULL DEVELOPMENT: Bulls are run in a commercial environment beside their mothers on native forage until weaning. After weaning, they are developed on hay and light grain ration through the winter, and then returned to forage as yearlings.

BULL FEEDING: Arrangements can be made for bulls to be returned to Nick Geis's Feedlot and put on feed if space is available. Bulls will be kept in the contemporary group they were in here at DCR. The bulls risk will be incurred by the buyer, insurance options will be available sale day.

BULL GUARANTEE: All bulls have passed a semen test and a breeding soundness evaluation by 2 independent vet clinics prior to the sale. To ensure your investment, DCR will guarantee all bulls selling against breeding injury and to be sound breeders for the first breeding season. Breeding season is defined as a 90 day period following the first turn out of the bull. If a problem should arise, contact us prior to the salvage of the bull, options will be discussed and a credit of the bull's purchase value minus salvage value will be given in an upcoming sale. Please notify us as soon as the problem or injury occurs. No claims will be accepted after September 1st. All bulls have been tested and are clean of any known genetic defect.

HEIFER DEVELOPMENT: Arrangements can be made to return heifers to Nick Geis's Feedlot to be developed and AI'd to the bull of your choice, including any of the DCR calving ease bulls. Costs can be negotiated between the buyer, Nick Geis, and DCR after the sale.

DELIVERY: Free delivery to central locations in the Wyoming area. For buyers from Oregon, Idaho, Washington and Nevada, bulls will be hauled to Huntington, Oregon where buyers can pick them up or make other arrangements. If you pick up your bull sale day you will get a \$50 rebate.

LIABILITY: All persons who attend the sale do so at their own risk. The owners and sale barn assume no liability.

Directions to Worland Sale Barn

- From Big Horn Ave., turn South onto 5th Street
- Go two blocks and turn West (right) onto Culbertson Ave.
- Then S.W. (left) onto Railroad Ave.
- Go 7 blocks and turn West (right) onto a dirt road that crosses the railroad tracks, directly across from Washakie Ave.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding platform for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail or call confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 232 and DIRECTV channel 603. *Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* There are 2 places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

Buyers will be contacted by the ranch after the sale for payment and delivery details. IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.

The longer we use 199B in our commercial program the more impressive his real world data becomes! His calves come easy, mature early, convert feed and hang up dollar generating carcasses. Sons are stout and economic, daughters are broody and very productive. Sired the Champion carcass Steer at the Hot Springs County Fair.

DCR 199B Lauretta 7635 “Dixi”,
a 199B daughter winning Reserve
Champion Fall Female at the NILE.

“Using Durbin Creek bulls, I have recognized an 80 lb advantage over my straight black calves and increased demand for my product. For a small operator like myself, that is hard to pass up!”

Manhattan has proven to be an unparalleled calving ease sire. We have had over 500 births from first calf heifers at DCR and assisted 1%. The same calves weigh in the top 30% of their contemporaries at weaning. First females in production are very easy fleshing and tidy udders.

Churchill Red Bull 200Z

We used Red Bull, who’s a flush brother to Churchill Manhattan, for his light birth weight, curve bending growth and maternal power.

-3.4	3.9	58	101	1.2	27	56	-0.035	0.67	0.016	\$402	\$477	\$128

Sired by 14 trait leader Trust 100W and out of the great 7020 cow. He is an easy fleshing bull that offers eye appeal and structural integrity in an economic package. His first set of sons were well received by the commercial producers, and the females were extremely productive. Owned with Breeden Ranch.

“Durbin Creek manages their program in a way that puts an emphasis on efficient cattle that are born light, grow fast and mature early. They are cattle that convert feed and have impressive performance with controlled inputs. Buyers and feeders have recognized these traits, creating a large demand for calves sired by DCR bulls.”

We bought 48B from Bar RZ after seeing him along side his powerful dam. He weaned off the cow at over 1000 lbs and posted a 125% weaning ratio. True to form, he sires early performance, coupled with early maturity. Sons offer power and lot of muscle shape; daughters are work horses and wean large calves. 48B is geared towards operations that sell calves off the cow and are looking for pay weight. Calves have excelled in our commercial division sire test.

" We run in big, rough country and the pasture we breed in is 20,000 acres. Durbin Creek bulls have good feet and legs, and are very active. They get the job done. At the end , you have a very marketable product."

-0.7	2.4	52	100	1.2	18	43	-0.025	0.39	0.01	\$233	\$288	\$104

The high selling bull in our 2016 sale, we were lucky enough to retain a piece of him. By 713 and out of the great 7020 cow, he represents the most reliable and proven DCR genetics of the last 20 years. The real world numbers backing him up don't lie. He offers ample early growth coupled with early maturity. Steer calves post impressive rate of gains and the females have a very cowy look to them.

300 Head of High Altitude, F1 Baldy Heifer Calves Sired by DCR Bulls

Home raised, Customers Heifers, & Consigned by RG Ranch

RG Ranch going through the bull pens. They run DCR bulls to sire the consigned heifers.

Why the Baldy Advantage

- ◆ A 7% advantage in conception rate
- ◆ 51% more per cow per year
- ◆ Improve disposition & handling ability
- ◆ Increase value of females
- ◆ Data based on the Circle A Ranch Heterosis Project beginning in 2007, conducted by Circle A Angus Ranch.

Selling in groups of 5 with a run on the pen if desired.

For questions about the heifers, please contact Bruce at (307) 867-2402.

2019 Horse Sale Information

The horses we are offering in our 2019 sale include 4 geldings and 2 mares with 45-60 days of riding. They have all been ridden on the ranch to perform daily tasks. At sale time all of the horses will have their feet trimmed as well as had their teeth floated and thoroughly checked. They will also have been dewormed recently. All of the horses in our sale with a DCR prefix on their name are eligible for AQHA's Ranching Heritage Program. These horses can be shown in any of the Ranching Heritage Challenges that are open exclusively to ranch bred horses. Many of these challenges offer up to \$15,000 added money and the RHC Finals has \$30,000 in added money. We raise and ride all of the horses that we sell each year so give us a call anytime to see how each horse is coming along. This has been a really fun group of horses to ride and we feel that each one of them will make a great asset to any ranch. We look forward to sharing them with you!

Guarantee

Our horses are guaranteed sound for the first 30 days after purchase. If a horse appears to be unsound in the first 30 days of new ownership the horse can be returned to the seller for 100% of the purchase price, with a vet check stating that the unsoundness is the seller's responsibility.

Mare 1st Right or Refusal

On the sale of mares, Durbin Creek Ranch wishes to obtain the first right to buy back the mare if the new owner ever wishes to sell them.

Trying Horses Before Sale

If you would like to ride a horse before the sale please call and we will make an appointment with you to do so. Horses will not be available for riding once they have reached the sale location.

For more information and to view a video of each horse please visit www.durbincreekranch.com or find us on Facebook at Durbin Creek Ranch Registered Quarter Horses.

<u>DCR Concho Moon</u>	
2016 Black Gelding	Frostys War Chief
LZM Brown Conchos	Conchos Lady 025
DCR Trillawood	Kellys Golden Moon
Trilla Lita	Docs Angel Gypsy

“Blue” is 14.2 hands. He is big and black with lots of chrome. He will be a top notch ranch horse that can do it all.

Ranch Horses Ready To Perform

Bruce on a gelding by LZM Brown Conchos.

Hannah with a certificate for a new saddle won barrel racing on a paternal brother to lot 2A and maternal half brother to lot 1A.

Jake branding on a maternal brother to lot 4A.

Joey branding on a paternal sister to lot 6A.

Jake branding on lot 3A's dam.

Rylee, Taylor, Cooper, Tylee and Decker branding this spring.

Thank you to all who made last years sale
such a wonderful success!

Ed and Edna Stuaber, and their son Charles, always provide an excellent prime rib dinner the night before the sale. All proceeds go to the Shriners Hospital.

We were honored to have Sam Hampton present at last years sale.

The pie table at the Pre-Sale Dinner!

We would like to thank all the people who work behind the scenes to help make this sale happen. The many volunteers and those part of the Durbin Creek team, who are:

The Abbe Family
The Dean Family
Kevin Trent
Thad and Hailey Wahl

DCR Females

No Frills - Cows run out on native grasses in commercial settings on the high desert.

No Excuses - Entire cow families have been eliminated for prolapse, eye, udder, feet and leg or fleshing ability problems for 40 years.

No Gimmicks - Cows calve in large pastures (3,000 acres) and do it themselves or they are eliminated by nature or management.

No Second Chances - Every cow raises a calf every year period!

Excelling in all Environments

Durbin Creek Ranch
3292 Grass Creek Rd
Thermopolis, WY 82443

Thank you for your interest in the Durbin
Creek Program. We look forward to seeing
you next year.
