## PRIVATE TREATY BULL & HEIFER OFFERING

*SPENCER, NEBRASKA*

# Our Program

Welcome

We have been raising registered Herefords in the Ponca Valley since 1943. It has been our goal to produce the best. The goal is to sell breeding stock that will work for the commercial producer. Ours is a no creep, no nonsense program. Quality and pounds are the end product. This years bull offering has quality throughout. If you are looking for a big performance bull or a heifer sale bull we will have what you need.

The 9135 sire has produced a great set of bulls this year. They are big stout and the ranchers kind.

We will offer heifers that are extremely nice and bred to be great cows.

Thank you to all our customers from the past. We hope the cattle are working for you. Look forward to new customers that are discovering our cattle for the first time.

*Lowell*

“We are happy to welcome Colt and Erin Morgan to our ranch family from northeast Oklahoma. They have been with us for a year now and have been a great addition to our program.”

# About the Sale

All cattle are sold private treaty starting March 1 on a first come, first serve basis.

We will diligently work with you on delivery. We have been honored to have bulls sell from the East Coast to the Northwest, from Canada to Texas. We always have a trailer or two headed south to Texas and many other southern states.

We realize that not everyone can take delivery immediately and will work with each individual on this.

We highly encourage insurance on your purchase.

If a heifer doesn't settle during her first breeding season, we retain the right to bring the female back to our ranch and attempt to breed her for six months before we consider her a non-breeder. If after the six months are complete and she has not settled a replacement of comparable value will be issued to the buyer.

Bulls are guaranteed breeders for their first 90-day breeding season. If the bull is unable to settle cows during this time, credit will be given on a replacement bull. We must be notified immediately if this occurs.
