— photos and videos —

Welcome

Welcome to the 18th annual Kammerer bull sale. We are so excited to announce our new date & location. We feel these changes work better with our program and are better for the bulls. The sale is set for Wednesday, April 17, 2024 @ 1pm. In addition to new date we are also moving the sale to the Bull Pen which is located at Amanda's house (14551 Horseshoe Rd, Piedmont, SD 57769). This is one mile north of our driveway and half mile east on Horseshoe Rd. The easiest way is Exit 61 (Flying J/Common Cents exit) out of Rapid City.

I'd like to give the yearly update on who makes up the Kammerer Livestock crew. Dillon will be graduating in May from WDT with his meat processing degree. He has processed some hogs on his own in his Meat Shack. He will continue working for Wall Meats after graduation. Dillon is still in the sheep business with Jessica. Jake is helping here at the house, building fence, and working on his own cow herd. Jessica is working for The Livestock Link, A.I.ing with Anita Pepin, preg testing, and for Cattle Business Weekly. Amanda is working for Tr-State Livestock News & AK Horse Sales hosted its 2nd horse sale this past fall in Belle Fourche.

Jessica has took over the breeding program and paperwork for the cowherd. We are so happy with the changes while still keeping the length and bone in our cow herd. We work hard on finding good genetics that work for our cowherd, but also for yours. We strive to maintain good foot quality, udders, and docility. Please note that we offer actual weights in the catalog.

Our Sale can be viewed on The Livestock Link and bidding can be done on the internet also. Please get pre approval early. You can also contact one of our sale date contacts listed.

Thank you for your interest in our program and we invite everyone to come early to view bulls and lunch will be served.

*Kammerer Livestock
