Welcome Cattle Producers,

We would like to invite you to the ranch to view the Hereford bulls and F1 Black Baldy replacement females that we will offer in our 67th Annual Production Sale.

The baldy cow is one of the most desired cows on the market. We are offering 200 F1 Black Baldy replacement heifers or buy one of our Hereford bulls and make your own.

The cattle market is looking good, but everybody wants a cut of it. Efficiency is the key to a successful operation, so you need to get the most for your dollar. Hereford sired cattle provide efficiency and longevity, as well as carcass merit. One can't dismiss the value of heterosis in the crossbred program. It just makes sense. Hereford bulls provide so many traits that just don't come through on EPDs like libido, adaptability, fertility and docility.

Again, this year we will be offering our home raised F1 Black Baldy replacement heifers. These heifers will be the top end and are extremely fancy. They have been through the working chute several times to be screened for disposition. All the twins have been removed. They will be Bangs vaccinated. They will all make excellent brood cows.

This set of bulls is one of the most consistent we have ever offered. There is always room for improvement, and we strive to find seed stock that will help with that. We feel that every bull offered up for sale is good enough that we would use it in our operation. After the sale closes, we will retain some of the bulls if they do not sell in the sale. The bulls are very consistent from first to last. All the sire groups are a little different and yet all the bulls have a similar look and are very even. In our program, we put an emphasis on quality, trouble-free females with length, muscle, good disposition, sound feet & legs, good hair, excellent bags, and that will raise a quality calf. These bulls are an extension of that program.

We believe bulls that aren't fed hard but have the opportunity to grow will have longevity. The bulls were never creep fed. We feel that not creep feeding allows the best opportunity for evaluating the cows. They were raised on a high roughage ration then turned out on grass for the summer as yearlings.

Our auction will be the same as last year. There will not be a sale order and we will be using a horse race style format. We know that it may be new to some, but we feel that not being restricted by a sale order will benefit our customers. How often have you said, "Who made this sale order anyway?" The bidding will still occur over a several-day time frame, which gives our customers more time to compare the bulls. You can come view the bulls at your convenience. If anyone does not feel comfortable with the bidding format, please let us know and we will have help available.

Thank you, The Jerry Knippling Family

All bulls have been DNA tested for parentage and birth defects.

Disposition Rating

Explanation of the disposition rating: In the course of getting ready for the sale, we have had the bulls singled out three times and pushed them to see what they would tolerate. We then used this to give them a disposition rating (dis). See the key below.

Disposition Rating	Explanation
1	Will hunt you down
2	Aggressive if cornered
3	Somewhere between a 2 and a 4
4	Nervous, but not aggressive
5	Can hold in corner, but if you give him an opening, he will leave
6	Can hold in corner and he will stand quietly
7	Can grab by horn and turn them around
8	You can walk them around with your hand on hip
9	You can scratch them, very quiet
10	Likes to be scratched

Herd Bulls

R 0141 NORTH STAR 50B - #43495965

CED: +4.1 BW: 2.4 WW: 70 YW: 123 M: 44 MG: 79

50B was the top selling bull in Ridder's 2016 sale, out of one of their top cows. He has it all, great carcass, moderate birth weights, great disposition, longevity, exceptional females, explosive growth, and unmatched depth and thickness. 50B is now a Sire of Distinction, which is not easy to do in a non multi-breeder program. We have used him a lot and will continue to do so.

UU KINGSTON 0244H - #44134869

CED: +4.5 BW: 2.2 WW: 64 YW: 92 M: 45 MG: 77

A bull at Van Newkirk Herefords that we just fell in love with and used to AI. He sires pigment, length, and thickness. We did not use on heifers, but we sure could have.

UU KINGSLEY 0269H - #44134780

CED: +3.9 BW: 2.2 WW: 66 YW: 99 M: 38 MG: 71

A moderate framed bull from Van Newkirk Herefords that is about as thick as you can make them.

R 4105 NORTH STAR 11E - #43821412

CED: -2.3 BW: 4.6 WW: 54 YW: 90 M: 35 MG: 62

11E was our pick in Ridders 2018 sale. He sires low birth weight and explosive growth. He has great length, thickness, and a super disposition.

FH 417 ADVANCE 9110 ET - #44065655

CED: +4.3 BW: 1.4 WW: 51 YW: 92 M: 34 MG: 60

The top selling bull from Friedt Herefords 2020 sale. He sires length, pigment, and muscle at a low birth weight. We have over sixty 9110 sired calves now and really like what we see. He definitely knows what his job is, breeding throughout the whole season.

KR 50B SUPERSTAR 755E - #43824771

CED: -0.4 BW: 5.4 WW: 66 YW: 107 M: 31 MG: 64

We had him listed in our 2019 sale with a high start bid knowing we could not find better. He is out of one of our top cows and the 50B. He sires all the depth of 50B with a little more thickness and great hair.

Herd Bulls

R 319C NORTH STAR 50F - #43932170

CED: +0.1 BW: 5.0 WW: 67 YW: 100 M: 23 MG: 57

A calf we got in Ridder's 2019 sale to bring in some Canadian influence into our herd. I'm not sure if they make them any thicker. He provides moderate birth weight with excellent growth.

R 4105 NORTH STAR 42F - #43932153

CED: +4.7 BW: 1.9 WW: 50 YW: 81 M: 37 MG: 62

A thick and extra deep bull from Ridder's. We used him and his half-brother 11E together to clean-up a group of cows.

R 3203 NORTH STAR 37F - #43932142

CED: -3.2 BW: 6.6 WW: 55 YW: 101 M: 35 MG: 62

A bull from Ridder's that we used as a clean-up bull. He sired one of the best in the sale.

This guy is going to catch your eye. A lot of the bulls will without people coming to look, but some you just need to see in person. He is younger but gives nothing up to the older bulls. Wow.

11E sires thickness, length and depth, all while being very easy fleshing.

200 Fancy F1 Black Baldy replacement heifers

We are offering 200 head of our top end home raised F1 Black Baldy replacement heifers. The heifers have had all of the calfhood shots to qualify for the Zoetis Wean Vac program, Bangs vaccinated, and their first Bovi-shield Gold FP5 VL5 shot. They are March and April calves and should weigh around 750-800 lbs. by sale time. They have had all the twins removed. This set of heifers is going to make top end cows.

How the heifer sale will work

One Lot with all 200 Heifers

1. Bidding closes at 5:00 pm CST.
2. High Bidder can take 20 or more, up to what is available.
3. High Bidder selects number of head desired.
4. Bidding begins again on balance of heifers in the Lot.
5. Bidding process is closed after 5 minutes of inactivity.
6. Steps 2 through 5 repeated until all heifers have been purchased or no bids at close of a session.
7. Bid price will be per head.
8. Transportation is the buyer's responsibility.

The Livestock Link

How the Horse Race style auction works

To bid, please visit www.TheLivestockLink.com and click on the "Auctions" tab. If you do not have an account, please click "Click Here to Register" in the User Login box and create an account. After that, click on the sale you would like to bid on. Read the Terms and Conditions, and after reading them, click "Click here if you agree." You can now bid.

The rules of this static auction are as follows:

- The auction will open on **January 19, 2024** and close on **Sunday, January 21, 2024 at 2:00 pm Central Time.**
- This auction is a Horse Race style auction, so **ALL LOTS** will be extended by 5 minutes if there is a bid on **ANY LOT** within the last 5 minutes until no more bids are placed. When no bids are placed in the last 5 minutes all lots will be closed simultaneously.
- Each lot will start at a floor price and will be bid up from that price.
- The lots will be bid up in standard increments. You may place a proxy bid. This feature will automatically bid for you (up to a maximum amount set by you) every time another bid is placed against you.

Please visit the site regularly and make sure you refresh the page often to keep up with the current bid. It is important to be online during the closing process so you can keep a close eye on your prospective lots.

If you have any questions concerning this online auction please contact:

Marc Hotchkiss
The Livestock Link Online Sales Manager
Cell: (605) 210-1956
Email: marc@thelivestocklink.com
Or Support: (605) 920-9261

You will receive an email when you are approved for bidding. All applications will be reviewed and processed promptly. You will receive a bidder number only after you have made a purchase in the sale, and that number will only be used at that sale. When the sale is completed, please contact the sale owner or manager for instructions of payment and delivery of your purchase.
