BULL SALE

Friday, *Centerville, SD*
MARCH 10, 2023 AT 6PM
AT THE FARM

Sleepy Hollow Farm

THE JOHNSONS

Mark, Jeanne, Trevor & Tate

Welcome to Sleepy Hollow

Farm's -- The Strategy Sale! The fact that you are reading this, from a couple 1980s farm kids who met on a college Judging Team and decided to go out on their own to make a life together with kids and cows, it really does mean that God has a plan for everyone in time. Our venture into the seedstock cattle business has been anything but perfect, but the years in the cattle business have been a perfect way to go from goals and ambitions to prowess and growth.

Let the strategy in our business help you in yours! As one rancher once told us, "There should be a Hall of Fame for the F-1 baldie cow!" We couldn't agree more. Modern beef production may not have a more versatile and valuable breeding piece. We take great pride in participating in both the Hereford and Angus breeds and enjoy the challenge of making them relevant to today's cross-breeding demands. Our principles are simple: breed for balance, uniformity, and longevity; with those things in place, profitability will follow. After this set of bulls was weaned, we knew it was the group we wanted to share with the public for our inaugural stand-alone sale.

Don't hesitate to contact us with any questions you may have or stop by; we welcome visitors at any time! We hope you find individuals in the offering who can help be a part of your operation's business strategy!

BULL SALE

FRIDAY, MARCH 10, 2023 AT 6PM

Schedule

Cattle available for viewing any time by appointment.
 Sale Day - Cattle available for viewing on Friday at 10:00 a.m.
 Lunch will be served at 4:30 pm, with the Sale starting at 6:00 p.m.

In the case of inclement weather, the sale will still be held using the Online platform, DVAuction.com.

We will make the most current announcements and updates on Facebook, Sleepy Hollow Farm - Hereford and Angus

Location

Sleepy Hollow Farm – 28901 465th Ave, Centerville, South Dakota
**Please follow directions and enter our farm from the EAST, you CANNOT get here from the west due to a closed bridge. Be sure to double check your GPS directions as well.*

From I-29... Fairview Exit 56, 5 mi west to stop sign, 1 mi south, 1 mi west on 289th Street.
 From Lennox SD... 10 mi South on SD Hwy 17/Co Rd 105, 1 mi west on 289th St.
 From Jct SD Hwy 46/Co Rd 105... 8 mi North, 1 mi west on 289th Street.

Terms

Any announcement from the auction block takes precedent over printed material. The Auctioneer will settle any bid disputes. All persons attending the sale do so at their own risk, Sleepy Hollow Farm assumes no liability for accidents, damage, or property loss that may occur.

Settlement at conclusion of the sale. Any purchases order-bought or via online we ask to be reconciled within 10 days. **Each animal is at the buyer's risk immediately after it is sold. We do strongly recommend purchasing insurance, it will be available on sale day. Also see our Breeding Guarantee on Pg 13.**

Volume Discount: Buy 2 bulls, 2% discount -- up to 10% on the purchase of 10 or more bulls.

Selling full possession and semen interest in all bulls. Sleepy Hollow Farm does retain the option to use a bull artificially for in-herd use. In that event, ideally semen would be collected prior to breeding season delivery or at the buyer's future convenience.

Updated genomics/polled/black will be available prior to the sale.

As a service to our customers we will keep the bulls at no charge until May 1st. Delivery will be arranged as best suits both parties in the month of May. Feed and yardage beyond the normal delivery period will be \$5/day. **Free delivery to any state bordering South Dakota, shared cost beyond that point.**

		FHF 4029 WHITNEY 36X			

- Another complete Daybreak bull. Moderate framed bull with eye pigment. Balanced numbers with calving ease.
Suitable for heifers.

606G was a herd sire purchase for us in 2021 from Ollerich Brothers Herefords and is co-owned with Section 16 Cattle Company.

We hoped he would be a Daybreak son that would add stoutness and volume while maintaining birthweight, correctness and mature cow size. Here are his first sons for sale, we couldn't be more pleased.

The Strategy
BULL SALE

Lot
4

SLEEPY DAYBREAK 261

Bull | AHA #44406980 | DOB: 3/5/22 | Tattoo: 261

Act. BW - 74 lbs. Adj. WW - 623 lbs. WW Ratio - 109 POLLED

The Bulls

We do our absolute best to manage these bulls to display their genetic potential, but take a lot of pride in preparing them for a long career in your herd. We have animal health relationship with Sioux Nation Vet Clinic, Viborg SD and use Elite Feeds, Tyndall SD as our consulting nutritionist. After a complete health program and late summer weaning, the bulls have been on a 52 mcal TMR ration since Nov 1. We believe bringing these bulls along on a longer growth curve leads to increased foot quality and fertility, thus longevity in your program.

Docility – we can write footnotes, take pictures, post videos but we would really like you to walk amongst these bulls on sale day. We know you don't have time for sires or calves with an attitude, so we cull accordingly. We'll challenge you to find a quieter set – especially in the Angus breed.

Three Season Breeding Guarantee!

We understand that your genetic investment is a big purchase. Cattle are sold as guaranteed breeders and will be confirmed by a Veterinarian exam. If an animal fails to be a sound breeder, upon receiving a vet certificate, it will be prorated with future sale credit as follows:

Purchase Price – Salvage Value (\$1,250 even in the case of death) **x Age Factor** (100% 1st season, 65% 2nd season, 30% 3rd season). Buyer retains the actual salvage value. If available, any in-season agreed upon replacement bull will be valued at \$3,500.

We are happy to keep the bulls at no charge until May 1st.

- Another Stock Fund x Intent Bull. We project this sire group to have high customer satisfaction when you combine the maternal attributes with the ability to outright perform. Add on the extra eye appeal and you have your next herd sire. Lot 20 is ¾ brother.
Suitable for heifers.

- His Dam was a choice lot for us from Spickler Ranch North, again a Stock Fund son that can bring calving ease along with a top 4% WW and YW EPD and top 20% \$B. Stout phenotype here as well.
Suitable for heifers.

Stock Fund was a bull we used as a low birth weight option that also provides power, performance and phenotype. We are excited to offer these progeny.

- The 'Three Rivers' sire group we used as an outlier to mate to our more maternal and classic pedigrees to power them up. This bull is a great example of that outcome.

'Three Rivers' was an outlier breeding piece we were intrigued to use on a certain pedigrees to add a performance punch to our more proven cow lines. As an added bonus, we really like the replacement females that we kept from similar matings.

We believe they will add length and pounds to a calf crop.

- We think it makes absolute sense to come back on the F-1 females with a Black Simmental, however this one is cool enough to go on Registered cows. His "Relentless" dam was Tate's original purebred. We feel he's better than when we pictured him, and the picture was killer. He's shaggy if that what your into, and all the parts and pieces work together.

Thank you for your interest!
