Mason Dietterle, 605-580-5878
Beau Ravellete, RPI Promotions, 605-685-8155

Lunch:

Complimentary lunch beginning at 11:00 AM.

Zoetis 50K Genetic Testing:

The bulls were HD 50K tested through Angus Genetics Inc. (AGI). 50K testing uses a sample of each of our bull's DNA to dependably determine their genetic potential. The results are in percentile ranking. The bulls have all been sire verified through the 50K genetic testing.

See page 4 for more information on 50K genetic testing information provided.

Individual Docility Score:

We have instituted a docility score that is specific to our bulls. This is not a percentile. It is a subjective score derived from our personal evaluation of each bull. A bull would have to be rated 1-3 in order to qualify for our sale.

Our Vision

We desire to equip our customers with the most profitable seed stock in the industry, through exclusive use of high accuracy AI genetics and rigorous culling of our cow herd. Our goals of consistent calving ease, maternal easy fleshing females, and moderate to high growth cattle with positive carcass qualities are in place to ultimately serve our customers with success through every cattle cycle.

Hello from Wilken Angus!

A big heartfelt "Thank You" to all of you who have come and supported our sale in the past as well as those who are considering our bulls for the first time. It is a privilege to be in this business and we value each and every one of you.

We believe this is the best set of bulls that we have ever offered. Each sire group offers their own unique positive traits that will add value to your next calf crop and more importantly to your cow herd. The bulls came in from summer grass lighter than normal and have not been over conditioned, providing you a durable long-aged bull.

The sale is a video auction through The Livestock Link. About two weeks prior to sale day, videos of each bull will be available on our website, www.wilkenangus.com.

These bulls all sell as commercial bulls to YOU, the best commercial cattlemen in the world!

Our family looks forward to seeing you sale day! Have a great Thanksgiving with your family and we'll see you the day after. Lunch starts at 11:00.

We don't want anyone to miss out on the most important thing which is the truth found in these Bible verses: John 3:16-17 says, "For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. God sent his Son into the world not to judge the world, but to save the world through Him."

Use these powerful Tahoe sons for calving ease, improving carcass quality while adding eye appeal and dimension. He is a proven, multi-purpose sire that is one of the most complete bulls in the Angus breed. The Tahoe two year old heifers that we calved this spring were gentle, outstanding mothers with almost perfect udders.
